1. Please check one:

- The student's committee recommends that he/she be admitted into the Geography Ph.D. program.
 The student's committee does not recommend that he/she be admitted into the Geography Ph.D. program.

2. Provide a brief written evaluation (below) of the student's performance (use other side if necessary):

Chester wrote an incredibly wonderful thesis. He researched the problem thoroughly and we were all very impressed with the depth of his knowledge of the subject. We are looking forward to his continuing into the Ph.D. program and expect that he will produce an absolutely brilliant dissertation.
